AMENDMENT

Honorable Commissioner of Patents and Trademarks
Attention: Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This amendment is being filed in response to the Notice to
File Corrected Application Papers dated May 1, 2002, and includes
an Abstract of the technical disclosure as required under 37 CFR §
1.72(b). Please amend the application as follows:

IN THE ABSTRACT:

Please add the following Abstract of the Disclosure:

ABSTRACT OF THE DISCLOSURE

A barrier movement operator system having a receiver for
receiving, learning and responding to transmitted rolling code
type access codes; at least one trained transmitter for operating
the system by transmitting a rolling code type access code to the
receiver; at least one learning transmitter for learning the
rolling code type access code from said trained transmitter in
order to operate the system; a controller for evaluating the
relationship between the learning transmitter rolling type access
code and the trained transmitter rolling type access code; and a

device for providing a barrier movement in response to access codes received by the receiver.

The barrier movement operator provides a method of learning valid security codes by a security code receiver comprising the steps of receiving a first security code, then within a predetermined period of time receiving a second security code, having a predetermined relationship to the first security code; and storing a representation of the second security code as a valid security code.

REMARKS

The Abstract is also submitted on an enclosed separate sheet. Applicants respectfully request entry of the instant Amendment, and submit that no new matter has been added.

The Commissioner is hereby authorized to charge any additional fees which may be required with respect to this communication or credit any overpayment to Deposit Account No. 06-1135.

Respectfully submitted,
FITCH, EVEN, TABIN & FLANNERY
